

Kāhulu Pepeke Painu B / ki'a

The time I saw you

Ka manawa **a'u** i 'ike ai iā 'oe

**Ko'u** manawa i 'ike ai iā 'oe

Ka manawa i 'ike ai **au** iā 'oe

Ko'u manawa **o ka 'ike 'ana** iā 'oe

The thing that the man shall request

Ka mea **a ke kāne** e noi ai

**Kā ke kāne** mea e noi ai

Ka mea e noi ai **ke kāne**

Ko ke kāne mea **o ka noi 'ana**

The car that Keola was driving

The island your parents are living on

The water we (3+, incl.) drink

The reason why the thief was caught

The time when she first kissed him

The things that Kimo folks just watched

The books that the class is reading

The night that Keola and Pua were introduced

The phone which I would have bought

The day that you were born

The reason why Keola left school

The new watch that she gave you

Those red flowers which my sweetheart brought for me
